

Reference Letter

This letter recognizes the open-source contributions by Prateek Singh (IIIT Guwahati, India) to projects of KathiraveluLab research group in Alaska, including to the GUARDA (<https://github.com/KathiraveluLab/GUARDA>) project: Gateway for Uniform Access to Remote Data and Analytics.

Prateek is a motivated and talented student developer. He has shown his abilities in research and teamwork throughout our collaborations. Please consider this letter as proof of his successful completion of this remote volunteer collaboration.

Please feel free to contact me at pkathiravelu@alaska.edu if you need any clarification.

Sincerely,

Pradeeban
